## Wines To Discover

**McManis**  
2021 Zinfandel (California)

An overall well-balanced Zinfandel incorporating small percentages of Petit Verdot, Teroldego and Petite Sirah. Find aromas and flavors of ripe red cherry, plum, cola, pomegranate juice, cranberry compote, fennel and fresh cedar wood.

**\$9.45**

**Zuccardi**  
2022 "Serie A" Torrontes (Argentina)

Fermented in stainless steel and with short maceration to avoid rusticity and look more for the citrus and herbal side of the variety. It comes through as fresh and vibrant, with depth of flavors and very nice precision and clarity.

**\$14.45**

**Matchbook**  
2020 "The Herdsman" Cabernet Sauvignon (California)

This wine leads with immediate floral-perfume aromas, moving on toward notes of blackberry, black cherry, crushed violets and purple orchids, cocoa, vanilla, nutmeg and a hint of fresh leather. As it opens, the elevated tannic structure softens and the voluptuousness of the fruits really shines through.
